

Land at the Disposal of the Farmer Form

Overview

Paragraph 4 of Article 4 of Regulation (EU) 2021/2115, Paragraph 15 of Regulations (EU) 2021/2115 and Section 4.1.3 of the CAP Strategic Plan 2021 Report, dictate that the procedure of land registration or transfers shall require landowners or farmers to submit a declaration signed by a Commissioner of Oaths attesting that the land is at the disposal of the farmer. This procedure applies to AGRICLAIM parcels with the exception of contestation cases where the procedure applies to all types of parcels.

What you'll get

By means of this form, a Farmer is clarifying the title he/she has on the land, which is a requirement for some type of requests to be processed.

Applicability

- All registered farmers who seek to either:
 - Register parcel/s in AGRICLAIM,
 - Switch AGRIDEC parcels to AGRICLAIM, and
 - Modify boundaries that would result in an increase of more than 100 sqm.
- Both transferor and transferee are required to fill the form in cases of transfers of parcels which were registered in IACS after the 31st of December 2017. If the parcel was registered before the 31st of December 2017 only the transferee is required to fill the form.
- In case of contestations, the procedure applies to all reference parcel types.

Required supporting documents:

- i) The completed form along with a sworn statement before the Commissioner for Oaths,
- ii) A site plan issued by IACS, or
- iii) Site plan approved by the Architect in case of contestation by the contestant only.
